From the Chair

The 2nd INTERNATIONAL CONFERENCE OF SAT HEALTH CONFERENCE

We hereby sincerely invite you and other representatives from your organization to join the 2nd international conference of SAT health counseling, September 18, Saturday, 2010 in Chiba, Japan.

The 2nd international conference of SAT health counseling highlights “ **SAT Enhancing Resilience** ” . We hope to develop this conference into an international academic society for probing SAT counseling & therapy as the 3rd advanced generation of CBT and as a research and global educational method by designing effective training and remedial intervention programs in SAT Method. Especially, we are expecting to discuss about SAT Method leading global strategies in the future for successful performance, stress management, mental health maintenance, innovation in health care technology, chronic disease or lifestyle-related disease management and health behavior change. We believe this conference will be of great benefit to our future cooperation on developing the effective program to improve human ' s well-being.

We are all looking forward to seeing you soon, and should you have any questions, please feel free to inform me.

SUBMISSION INSTRUCTIONS

The author-prepared abstract will be published exactly as presented on original. Type must be clear, dark and correct. DO not reduce or condense. All abstracts will be reduced for publication. Plain paper may be used in place of 'Abstract Form', provided exact dimensions (12.7cm×18cm) are maintained.

Papers which cluster around common themes may be selected for group oral presentation, each about 15 minutes. ALL papers should be submitted under the 'paper or poster' option.

TO SUBMIT A PAPER PROPOSAL

1. Complete the Submission Form.

The form must be received by July 15, 2010.

2. Prepare an Abstract to fit within the Abstract Form.
3. Provide a concise description of your proposed presentation in narrative form. Include author(s) name(s), affiliation, and the corresponding author(s) name and address.
4. Copy all Form/Information for your reference. Retain Abstract on disc for future use.
5. **Abstract submissions must be received by Aug 5, 2010.**
6. **Full paper must be received for the conference proceedings by Oct 31, 2010**
発表要旨の提出は、2010年8月5日が締め切りです

ABSTRACTS SHOULD:

- a) State the scientific question or purpose of the study;
- b) Characterize the study sample (sample size, age, gender, race, health status, etc);
- c) Identify the independent and dependent measures, types or specific names of measures used;
- d) Summarize analysis, and describe key results;
- e) State conclusions and/or significance of findings
